Subject: [jayaguru] Jayaguru conference

Jayaguru Pranam,

Let's be thankful to everyone for their response and specifically to Biswajit bhai for his effort to reach everyone to convey the message.

Here are some hints that may be useful. This is a teleconference arranged through AT&T.

Step: 1 To enter into the conference, please dial
1-(800) 386-5530

Step: 2 It should prompt you for password. Then enter password: 477715

That should enable one to enter into the conference. I shall keep one of my home lines open. If anyone has difficulty in entering, then please dial directly to my home # (781-xxx-xxxx).

The teleconference customer service #: 1-800-232-1234
