Guru Hymns for the Householders

If a human can devote a fraction of the effort and hardwork of what they do in the hope of achieving the desired outcome influenced by the material desires and karmic imprints from past lives to serve Srigurudev, he can definitely attain steadiness in serving his Guru. The power of Guru is infected into the disciple through serving Guru and when the disciple tastes the happiness due to similar state of mind by listening to Srigurudev's nectar like words of advices, they realize that Srigurudev is the God incarnet and surrender to him become evident as a result of that.

Now it's seen that "Srigurudev is the only shelter" is the settled opinion of all scriptures and serving him as the only Dharma (righteous way of living). Shri Shri Guru Gita states -

DhyAnamulam guormurti puja mulam gururpadam
Mantra mulam gurorbAkyam mokshyamulam gurorkrupA

Meaning , meditation upon Srigurudev's image underpins the root of all types of meditation, or in other words, the result of meditation upon all Gods and Goddesses are obtained solely by meditation upon Srigurudev. Worshipping Srigurudev's lotus feet is the basis of all worship, meaning, worship of all Gods and Goddesses is done by worshipping the lotus feet of Srigurudev. Srigurudev's words are root to all *mantra* , meaning, results of chanting all *mantra* including *Pranab* are obtained merely by obeying Srigurudev's advices and the grace of Srigurudev is root of liberation, or in other words, there is no way to liberation without the grace of Srigurudev. For that reason, *Guru Gita* further states -

Gururmurtim Swarenityam Gururnama sada japet
Gururagyam Prakurbita Gururanyam na bhabayet |

Meaning, always think of Srigurudev's image, always chant Srigurudev's name, always carry out Srigurudev's orders and do not think of anyone but Srigurudev.

"I don't have any special power. **Srigurudev is driving me by residing in my body.** Srigurudev's power of compassion and restraint is forever present. **Then again I have not become a guru by my own wish.** One day, there came a divine order that **I will have to become a 'Guru'**. However, I was not willing to accept the responsibility of being a Guru. Finally, I prayed to Her that **those who will follow me till the end after being my disciple, have to be liberated. Meaning, the sixfold internal enemies are the perambulation of Maya. Only those disciples who attain self-realization by giving up that perambulation of Maya and surrender to me on the path of divine love and devotion will get liberated.**

You will achieve true devotion towards me only when you worship me, that is Gurudev as the supreme being while disregarding you as the first person (ego). **Those who love me and serve me, they actually are loving and worshipping the Gurudev inside me. Hence they are the true servants of theGuru.**

Victory to guru, the sacred meaning of veda and the wish-granting tree
The essence of righteousness and action
The truth is Guru, so is his service, Guru is ultimate Brahman
Name of Guru, the helmsman of the world full of illusion.
