Samsāra Pathe

Tretayām Mantraśaktiścha jnāna śaktiḥ kruteyuge,

Dwāpare yudhya śaktiścha sangha śakti kalouyuge.

Shree Bhagaban VyasaDev has said "Only *Sangha śakti* (the power of sangha) works in Kali-yug". It is needless to explain about sangha śakti in this modern world. The more united a community is, the more opulent they are. Nowadays, the indifference to these matters by Hindus is making them miserable and despondents.

Each individual has some special qualities. Every human being possesses some significant feelings. God, while creating each human being , has also endowed them with some significant characteristics. . Thus, each of us possesses a distinct quality or other. God gives that significant quality to accomplish certain key objectives.

Every human, with the help of these significant qualities, should progress towards Godhead by eliminating the need and want in others. One would never realize what sensibilities one lacks if he/she remains detached from others. Therefore one would fail to make any effort to overcome those shortcomings. However, if we come in contact with a person who has the quality that we lack we would naturally get inspired to correct that deficiency. Hence if we recognize each other's deficiency we can progress towards becoming a complete human.
